Hey gang!
My name is Al.

But you can call me by my
superhero name...

ALPHABETIC AL!

Cool name,
hunh?

And, whammo presto, suddenly
I'm in my superhero alter ego,
flying to save the day!

Most of the time,
I help people
in need
with my powers.

How, you ask?
Well, all I have to
do is think of a
word and how I
can use it as a
power, then say
the word out loud...
like so...

AIR!!!

Simple
as
that.

No need to
thank me,
friend.

So much work
to do. Danger
is always afoot.

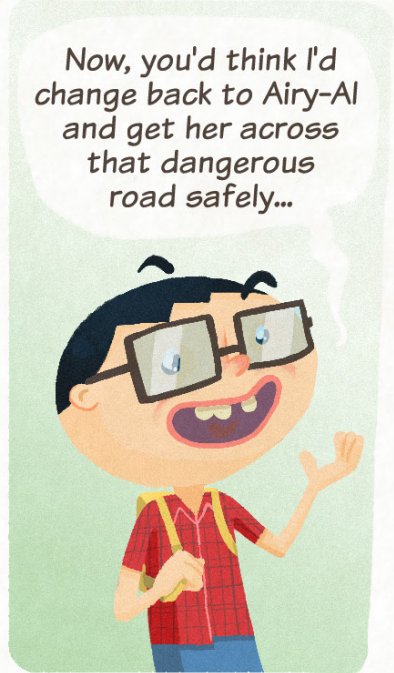

C'mon Mico...

Go get er!

A granny in dire need... of groceries!

Well, what have we here?

Now, you'd think I'd change back to Airy-Al and get her across that dangerous road safely...

Except I can't use the same word again! I have to come up with a word using the next letter in the alphabet.

Like... **BOUNCY!**

Come on Granny, let's go grocery shopping!

And here we are!

Pop!

Alphabetic Al... at your service!

Wha... uh...?

No need to thank me, Gramms!

YOU MADE ME MISS MY BUS!!!

Sometimes, I admit, I need help in my quest to do good in my town.

Yes, it's true. My imagination at times just isn't there... and I can't come up with the right word.

Luckily, my good pal Lucas is around to help my cause. Bookworm extraordinaire, there isn't a word he doesn't know about.

his quiet nature and his lack of superpowers make him an easy target of my enemies. And so, I must remain ever vigilant...

...what's that? A crime in progress!

Quick, Lucas! A C word...

Col--

COLOSSAL!

Good word, Lucas!

Why, hello there, teeny-tiny crooks with numbers on your chest.

Let's just put you all somewhere safe... and harmless.

Those numbers can mean only one thing...

...THAT'S RIGHT, ALBERT, IT'S YOUR GIRLLLLL-FFFFRIEND!!

NEENA NUMBERS!

Anyway, listen up and stop me if you can, Albert! You know how I get when I get...angry!

Who are you talking to over there?
Is it about me?
All good, I hope, if it is!

Neena Number's not my girlfriend... she's my crazy nemesis! My most hated enemy!

I do...

DETAIN!

What's...
happening..
to... me?

KER-BLINK!

Plop!

Oh!

Oww!

Hey, boss!

ALBERT!!!

I hate it when she calls me by my full name.

That wasn't fair!

Neither is me listening to you!

I'm getting angry!

Glad I could help! No need to thank me, Neena!

ALBERT!!!

Crush Albert and his word play, Number 6...

ME HATE WORDS!

Time for some number-crunching, Lucas...

but math isn't my strong suit!

BUT HATE SENTENCES MORE!

Lucas???

Es--

ESCAPE!!!

SLAM!

???

Word at the ready...

for number-crunching!

Here goes...

THE END
